ENTREPRENEURIAL FINANCING

EVERY DAY AN AVERAGE OF \$40 MILLION PLUS IS GIVEN OUT IN PRIVATE AND VENTURE FUNDING VFINANCE.COM

Raising capital in today's economy is a daunting task for even the most seasoned entrepreneurs. However, it all depends on where you look for it. Our network of C-Level executives and financiers across North America and the Middle East have helped launch a series of successful corporations in partnership with us. We provide hands on services in seeking venture capital, alternative funding strategies, and private investment.

Our partners have direct access to risk capital from financial institutions as well as angel investors seeking to diversify their portfolio. We can ensure your business gets direct channel exposure to these sources.

UNDERSTANDING YOUR INVESTMENT REQUIREMENTS

THERE IS MORE MONEY LOOKING FOR GOOD DEALS THAN THERE ARE GOOD DEALS LOOKING FOR MONEY

Our aim is to bring you, the investor, the most select opportunities from within the healthcare, financial, and energy sectors. We specialize in small-cap and micro-cap (\$10M-\$100M) growth opportunities within the United States, Canada, and China seeking to raise capital from the Middle East and Gulf Regions.

In order to ensure the highest level of transparency, we partner with investment banks, broker-dealers, and professional services that are recognized world-wide and have a track record of performance portfolios in emerging markets. Our legal partners

are among North Americas largest law firms specializing in international investment brokerage so that we ensure your interests are protected.

ABOUT INTELLECT NETWORK

For over a decade we have partnered with entrepreneurs to grow sustainable, world-class enterprises. Our clients are privately held corporations that come from a broad spectrum of industry segments including healthcare, biotech, finance, and energy.

Our primary objective is helping committed entrepreneurs build successful companies through seeking investment and revenue sources within the Middle East and North America.

We differentiate ourselves through our partnerships with over 158 serving and retired industry executives who we engage actively throughout the business and investment life cycle.

We believe in building long-term relationships where our interests are linked with our clients. This is a proven philosophy Intellect Network follows and we invite you to reach out to us and see how this approach has fostered success for our investor clients and portfolio companies.
